

fib Symposium 2025

Antibes - France

We have the great pleasure of inviting you to Antibes, France, to join the 2025 fib symposium, Concrete structures: extend lifespan, limit impacts, 16 - 18 June 2025.

Sponsorship and Exhibition Opportunities

fib
CEB - FIP

AFGC
Association Française de Génie Civil

Welcome

We have the great pleasure of inviting you on the 16 – 18 June 2025 to Antibes, French Riviera, France, to join the 2025 *fib* symposium, Concrete structures: extend lifespan, limit impacts!

This symposium is among the official events of the International Federation for Structural Concrete ([fib](#)) and covers major issues related to topics of concretes, reinforcements, prestressing and innovative materials, durability, structural and sustainability performances and design, construction methods and management, outstanding structures, numerical modelling, international developments of codes and standards in structural engineering, forensic engineering, monitoring, assessment, rehabilitation and modification of structures...

It will be a great opportunity for the exchange of recent advanced knowledge in concrete and concrete construction.

The symposium is strongly driven by the need of society to extend the lifespan of concrete structures and to build structures with limited impacts on the climate and the environment. All the stakeholders of the construction value chain should work together to achieve this goal.

Therefore, this symposium is an excellent forum to share knowledge and learn about durable and sustainable constructions.

We sincerely hope to see you in Antibes in June 2025!

View of Antibes © Mary Quincy

The Symposium

After the fib 2004 symposium in Avignon, we have the great pleasure to host the fib 2025 Symposium in France, and we invite you to join us in Antibes, near the city of Nice. Antibes is a Mediterranean city located at the end of a cape and at the foot of the Maritime Alps.

This symposium is among the official symposium of « The International Federation for Structural Concrete (fib) » and covers the issues related to topics of concrete and innovative materials, durability, structural and sustainability performances and design, construction methods and management, and outstanding structures. It will be a great opportunity for the exchange of recent advanced knowledge in concrete and concrete construction.

The symposium is strongly driven by the need of society to extend the lifespan of concrete structures and to build structures with limited impacts on the climate and the environment. All the stakeholders of the construction value chain should work together to achieve this goal.

Therefore, this symposium is an excellent forum to share knowledge and learn about durable and sustainable constructions.

Getting to Antibes is easy, through the International Airport of Nice, or from Paris with the Very high speed train (TGV) via Marseille. See our destination page on the website for more information on getting here.

- Prestressing and innovative materials
- Durability
- Structural design and sustainability performances
- Construction methods and management
- Outstanding structures
- Numerical modelling
- International developments of codes and standards in structural engineering
- Forensic engineering
- Monitoring
- Assessment
- Rehabilitation and modification of structures

Sponsorship Program

Sponsoring the *fib* Symposium 2025 in Antibes offers you a great opportunity to present your organization to an international audience of engineers and architects, researchers, consultants, constructors, students and anyone engaged in the design, construction and maintenance of bridges and structures.

Ranging from the Platinum, Gold, Silver and Bronze categories, each sponsorship level has a specific set of exposure and benefits intended to elevate your organization's visibility and recognition at the Symposium.

In addition, we offer sponsorship of conference hand-outs on which your organization's logo would be prominently displayed, including lanyards, numerical proceedings, conference bags and conference app. Sponsorship opportunities for special events and meals are also available. Details on available sponsorship opportunities are given in the tables on the following pages.

Corporate sponsors are also welcome to suggest additional entitlements and opportunities to optimize your individual marketing objectives. We will be pleased to evaluate any requests to create customized support packages.

Exhibition

A commercial exhibition is planned at the Symposium venue. This offers a unique opportunity for companies to display their projects, products and services. Companies interested in exhibiting can find information on the Symposium website: <https://www.afgc.asso.fr/evenement/fib-symposium-2025/> and are invited to contact the Symposium Secretariat fib2025@afgc.asso.fr as soon as possible to confirm current availability of exhibition space. The coffee breaks and lunches will take place inside the exhibition area.

*** Scheme package includes :**

- Exhibition space with carpet (6 m², 9 m² or 12 m²)
- Shell Scheme structure
- Lighting (1 spot per 3 m² space)
- Electrical supply
- 1 table and 2 chairs
- Flag sign with name of the exhibitor
- Exhibitor company profile in the final program
- 2 Exhibitor badges per 6 m² space, 1 additional badge for each additional 3 m² booked
- Access to Coffee Breaks (served in Exhibition Area), and Welcome Reception
- Installation and dismantling of structures

Exhibition registration: To secure your booth spot, please return the exhibition order form at your earliest convenience with payment information. **Deadline March 30, 2025.**

Exhibition Plan

Terms and Conditions

Reservation

In order to be valid, your reservation must be completed on the appropriate APPLICATION FORM here enclosed and sent to:

AFGC –Ms Nadget Daoud
42, rue Boissière
F-75116-PARIS – FRANCE
Phone : +33 1 85 34 33 18
E-mail : fib2025@afgc.asso.fr

Upon receipt of your application form you will receive an invoice.

The signature on the form/contract reservation constitutes a firm hire commitment and compels the subscriber to accept the Terms and Conditions. No verbal or telephone agreement will commit AFGC unless confirmed in writing.

Booth allocations will be attributed in reservation order of arrival taking into account the level of Sponsorship and are subject to the full payment and the agreement of AFGC. Exhibitors will be requested to make choices, but AFGC can guarantee first choice. Once locations have been attributed, no change of location will be possible without AFGC's written agreement.

The Exhibition floor plan presented in this document is a non-contractual one. It is subject to acceptance by the Safety Officer. However, AFGC reserves the right to change if deemed advisable, the location, importance and layout of the surfaces requested by the exhibitor.

Technical Manual

A Technical Manual will be sent by AFGC to every registered exhibitor and sponsor early. This manual will contain all information regarding general conditions, safety regulations, setting up of a booth and arrangement conditions, description of the booth, specification documents and maps along with order forms and prices for furniture, decoration and all necessary services (telephone, electricity, transport, storage...)

Local and Site Regulations

Exhibitors shall abide by the local and site regulations with respect to law and order, safety and security. AFGC will take appropriate action against those who do not comply with the regulations. AFGC has the authority to demand removal/change of any structure which is not in accordance with the symposium rules or cancel participation. The decision of AFGC will be final and binding.

Entry to the Exhibition

Access to the exhibition will only be possible to registered symposium participants or exhibition participants.

Insurance

The signatory renounces to take recourse against AFGC or against the owners of the premises and undertakes to underwrite insurance policies covering all the risks incurred by the material exhibited (theft, damage, etc...) along with public liability covering the permanent or occasional staff employed by the company, present at the symposium. In any case, the insurance protection will NOT be given to the exhibitors by AFGC.

Force majeure

In the event of force majeure, the exhibition dates may be changed or the latter may be purely and simply cancelled. In the last event, the disposable funds after payment of expenses will be shared between exhibitors in proportion to their payments without it being possible to take recourse against AFGC.

Interpretation of the site regulations and Amendments

AFGC is the sole competent authority as to problems arising from the interpretation of the site regulations (law and order, safety and security) and their enforcement. Any expenses resulting from the non-observance of the site regulations will be chargeable to the exhibitor.

AFGC reserves the right to change or to complete the site regulations at any time. If any changes should occur, all participating companies will be informed.
